

Eastern Illinois University
College of Liberal Arts & Sciences
Position Announcement
Instructor of Computer Science

The Department of Mathematics and Computer Science in the College of Liberal Arts & Sciences at Eastern Illinois University invites applications for an annually contracted position. The ideal candidate will enjoy teaching both lower and upper division computer science classes, be able to engage in curriculum development, and help facilitate our new computer engineering degree option. The position begins August 2024.

Preference will be given to candidates with a PhD in Computer Science or related discipline, ABD or MS considered. Strong candidates in any area of specialty will be considered. Demonstrated commitment to diversity and experience with promoting inclusive excellence is required.

Applicants should submit a cover letter, curriculum vitae, statement of teaching philosophy, statement of research interests, all transcripts, and three letters of reference. Application materials must be submitted electronically to Interfolio <http://apply.interfolio.com/138442>. Review of applications will begin March 8, 2024. For questions about the search, please contact Md Farhadur Reza, Search Committee Chair at mreza2@eiu.edu.

The Department of Mathematics and Computer Science currently offers three undergraduate degrees, including a B.S. in computer science. Additionally, we offer one graduate program in mathematics education. Information about the department can be found at <https://www.eiu.edu/math/about.php>.

Diversity and Inclusion: Eastern Illinois University is committed to fostering a learning community where all members feel welcomed and valued. The university provides equality of opportunity in all areas of campus life and we strive to recognize and appreciate the unique value of our students, faculty, and staff. Every member of campus has the right to learn and work in an environment free of discrimination and harassment, and beyond that, our goal is for all members of our community to develop a strong sense of belonging to Eastern Illinois University.

The University and Community: EIU's attractive 320-acre campus is big enough to offer quality programs, yet small enough to offer personal attention. Founded in 1895, Eastern Illinois University (EIU) has seven (7) colleges and schools offering more than 90 academic programs in the form of bachelor's, master's, and specialist's degrees.

Eastern Illinois University takes pride in creating a warm, welcome environment for all faculty, staff and students. EIU boasts a rich, tradition of preparing students for their personal and professional goals. A traditional regional residential institution, EIU offers a superior education

at a relatively low cost while consistently earning high rankings and distinctions for its affordability, academic program quality, career placement rates, campus safety, online degree options, student support, and sustainability initiatives. EIU focuses on individualized attention and superior student relationships and has earned recognition as the highest-ranking independent public regional university in Illinois and a place among the Midwest's top public regional universities according to *U.S. News and World Report*. Eastern offers faculty a wide range of research and public service activities. EIU hosts more than 175 student organizations on campus, and offers a variety of cultural events, NCAA Division I athletics, and active research opportunities for its students to enjoy and to thrive. EIU has become recognized for providing the resources of a large institution while creating the kinds of individual relationships that support student and alumni success.

The University is located in East Central Illinois, combines the benefits of a community of 20,000 with access to several large cities, including Chicago, St. Louis, and Indianapolis.

Eastern Illinois University is an Affirmative Action/Equal Opportunity Employer - minority/female/disability/veteran - committed to achieving a diverse community.
