

**Eastern Illinois University**  
**School of Technology**  
**Tenure Track in Construction Management**

The School of Technology at Eastern Illinois University invites applications for a tenure track faculty position in Construction and Project Management.

**Responsibilities:** The successful candidate will be responsible for teaching undergraduate courses in construction management and may support one or more of the graduate degree fields. A typical workload per semester will include 3-4 courses in a classroom and laboratory environment. In addition, building and maintaining a strong relationship with construction industry partners, curriculum development, mentoring undergraduate and graduate students in technology-related research, supervising a student club, and contributing to the planned program accreditation process are expected. Commitment to diversity and inclusive excellence is required.

**Qualifications:** A minimum of a doctoral degree in Construction Management or a related field from a nationally accredited university is required. Preference is given to applicants with 3-5 years of construction management experience. The successful candidate will have excellent oral and written communication skills and outstanding teaching abilities. Demonstrated commitment to diversity and experience promoting inclusive excellence is required.

**Starting Date:** August 16, 2023

**The University and Community:**

Eastern Illinois University takes pride in creating a warm, welcoming environment for all faculty, staff and students. Established in 1895, EIU boasts a rich tradition of preparing students for their personal and professional goals. A traditional regional residential institution, EIU offers a superior education at a relatively low cost while consistently earning high rankings and distinctions for its affordability, academic program quality, career placement rates, campus safety, online degree options, student support, and sustainability initiatives. EIU focuses on individualized attention and superior student relationships, and has earned recognition as the highest-ranking independent public regional university in Illinois and a place among the Midwest's top public regional universities according to *U.S. News and World Report*. EIU hosts more than 175 student organizations on campus, and offers a variety of cultural events, NCAA Division I athletics, and active research opportunities for its students to enjoy and to thrive. EIU has become recognized for providing the resources of a large institution while creating the kinds of individual relationships that support student and alumni success.

Eastern Illinois University is located in Charleston, Illinois – a comfortable and safe east central town within a two-to three-hour drive of three major metropolitan areas -- Chicago, Indianapolis, and St. Louis.

**School of Technology:** The selected candidate will be appointed as a member of the School of Technology. The EIU School of Technology serves over 900 undergraduate and graduate students. The school offers five bachelor's degree programs and four graduate degree programs. The candidate must be a highly motivated team player to assist in the continued growth of these programs.

**Closing Date:** Review of applications will begin on November 28, 2022 and will continue until the position is filled.

**Applications:** Candidates for this position should submit the following: 1) a letter of application indicating how the candidate's background and credentials meet the position's responsibilities and qualifications; 2) a current vita; 3) a list of names, addresses, phone number, and email for three professional references; and 4) a copy of transcripts for **all** undergraduate and graduate coursework completed (may be unofficial for application purposes); official transcripts from doctorate degree granting institution are required for appointment. Applications can be submitted using to Interfolio at <http://apply.interfolio.com/115608>.
