

Eastern Illinois University
Electrical Engineering Program Position Announcement
9 Month, Non-Tenure Track in Electrical Engineering

The Electrical Engineering Program at Eastern Illinois University invites applications for a non-tenure track instructor position in Electrical Engineering starting in August 2021, subject to available funding. A minimum of Master's degree in Electrical Engineering or a closely-related field and eligibility for a Professional Engineer (PE) credential are required, with preference to applicants who have industrial experience, PE licensure, or a PhD degree.

Eastern Illinois University (EIU) is a comprehensive state university in a community of 20,000 in east central Illinois. Enrollment at the university is approximately 7,000 and growing. As a primarily undergraduate teaching institution, EIU is dedicated to quality learning in small class settings. The Electrical Engineering (EE) is a newly established program within the Physics Department with a collaboration with the School of Technology. This faculty will be appointed as a member in the School of Technology, which seeks a highly-motivated candidate to assist the growth of the new EE program.

The successful candidate will be responsible for supervising and coordinating an internship program, maintaining close contacts with industry, and teaching upper-level undergraduate courses in electrical engineering. A typical workload per semester will include teaching 2-4 courses in classroom/laboratory, with an expectation for summer internship supervision (compensated according to Collective Bargaining Agreement). In addition, mentoring undergraduate students in engineering-related research, and contributing to the ABET accreditation process are expected. Commitment to diversity and inclusive excellence is required.

Review of applications will begin on November 1, 2020 and will continue until the position is filled. Applicants must submit a letter of application (cover letter), statement of teaching philosophy, curriculum vitae, undergraduate and graduate transcripts, and names of three references with contact information, to Interfolio at <http://apply.interfolio.com/????> (link to be provided). For questions regarding this search, please contact Dr. Toqeer Israr, Search Committee Chair, at tairsar@eiu.edu.

Eastern Illinois University is an Affirmative Action/ Equal Opportunity Employer – minority/female/disability/veteran – committed to achieving a diverse community.
