Position Announcement
Assistant Professor in Analytical Chemistry

The Department of Chemistry and Biochemistry at Eastern Illinois University invites applications for a tenure-track Assistant Professor of Analytical Chemistry starting in August 2023.

A Ph.D. in chemistry or a closely related field is required, with post- doctoral experience preferred. Teaching duties will include undergraduate and graduate (MS) courses in analytical chemistry, as well as general chemistry/general education courses. Individuals who are qualified to teach courses in both analytical chemistry and physical chemistry are especially encouraged to apply. Establishment of an active externally funded research program with undergraduate and MS students and participation in department and university service activities is expected. Demonstrated commitment to diversity and experience with promoting inclusive excellence is required.

Applications must be submitted to Interfolio at <http://apply.interfolio.com/114438>. A complete application includes a cover letter, CV, statement of teaching philosophy, a statement describing plans for promoting diversity and inclusiveness, research plans (4 pages maximum), and undergraduate and graduate transcripts. Applicants must also arrange for three letters of recommendation to be uploaded by recommenders to the same link.

Application review begins October 28, 2022 and will continue until the position is filled. Inquiries may be directed to Dr. Radu Semeniuc, Search Committee Chair, at rsemeniuc@eiu.edu.
