

Eastern Illinois University
College of Liberal Arts and Sciences Position Announcement
Assistant Professor of Mathematics

The Department of Mathematics and Computer Science in the College of Liberal Arts and Sciences at Eastern Illinois University invites applications for a tenure-track position in mathematics.

We are seeking an applicant with a commitment to excellence in teaching, the ability to inspire and mentor students, and a continuing program of research and engagement in mathematics. A Ph.D. in mathematics or a related field by Fall 2021 is preferred, but ABD will be considered and the degree will be required for tenure. All areas of pure and applied mathematics will be considered. The ideal candidate will enjoy teaching both lower and upper division mathematics classes with the potential for engaging undergraduate students in mathematics, mathematics education, and computer science. Demonstrated commitment to diversity and experience with promoting inclusive excellence is required. The position begins August 2021.

Applicants should submit a cover letter, curriculum vitae, statement of teaching philosophy, statement of research interests, all transcripts, and three letters of reference. Application materials must be submitted electronically to Interfolio at <http://apply.interfolio.com/83773>. Review of applications will begin immediately, but will be accepted up until February 26th, 2021. For questions about the search, please contact Dr. Grant Lakeland, Search Committee Chair at gslakeland@eiu.edu.

The Department of Mathematics and Computer Science currently offers three undergraduate degrees, including a B.A. in mathematics. Information about the department can be found at <https://www.eiu.edu/math/about.php>.

Eastern Illinois University is an Affirmative Action/Equal Opportunity Employer - minority/female/disability/veteran - committed to achieving a diverse community.
