

**Eastern Illinois University**  
**College of Sciences Position Announcement**  
**Assistant Professor of Computer Science**

The Department of Mathematics and Computer Science in the College of Liberal Arts and Sciences at Eastern Illinois University invites applications for a tenure-track position in computer science.

We are seeking an applicant who has a concentration in one or more of the following areas: networking, databases, computer engineering, data science, machine learning, parallel programming, or distributed systems. Preference will be given to candidates with a PhD in Computer Science or related discipline, ABD considered, PhD expected by time of appointment. Strong candidates in any area of specialty will be considered. Ph.D. required for tenure. The ideal candidate will enjoy teaching both lower and upper division computer science classes as well as working with our programming team. Demonstrated commitment to diversity and experience with promoting inclusive excellence is required.

Applicants should submit a cover letter, curriculum vitae, statement of teaching philosophy, statement of research interests, all transcripts, and three letters of reference. Application materials must be submitted electronically to Interfolio at <http://apply.interfolio.com/79047>. Review of applications will begin immediately, but will be accepted up until October 29, 2020. For questions about the search, please contact Dr. Andrew Mertz, Search Committee Chair at [aemertz@eiu.edu](mailto:aemertz@eiu.edu).

The Department of Mathematics and Computer Science currently offers three undergraduate degrees, including a B.S. in computer science. Information about the department can be found at <https://www.eiu.edu/math/about.php>.
