

Eastern Illinois University
School of Technology
Tenure Track Faculty in Computer Technology or Cybersecurity

Tenure track faculty position in the Eastern Illinois University School of Technology for Computer Technology Graduate Certificate or Cybersecurity M.S. Program.

Responsibilities: The successful candidate will be responsible for teaching graduate-level computer technology or cybersecurity courses and may support one or more of the undergraduate degree programs. This is a 9-month full-time position. The typical workload per semester includes 3-4 courses in a combined classroom and laboratory environment. Service to the academic and local community and conducting of research is also required. In addition, mentoring undergraduate and graduate students in technology-related research, and contributing to assessment and accreditation processes are expected.

Qualifications: A minimum of a doctorate degree in computer technology, networking, or a cybersecurity-related field from a nationally accredited university is required. Preference is for applicants who have industrial and/or teaching experience. The successful candidate will have excellent oral and written communication skills and outstanding teaching abilities. Demonstrated commitment to diversity and experience in promoting inclusive excellence are required.

Starting Date: August 16, 2023

The University and Community: Eastern Illinois University takes pride in creating a warm, welcoming environment for all faculty, staff and students. Established in 1895, EIU boasts a rich tradition of preparing students for their personal and professional goals. A traditional regional residential institution, EIU offers a superior education at a relatively low cost while consistently earning high rankings and distinctions for its affordability, academic program quality, career placement rates, campus safety, online degree options, student support, and sustainability initiatives. EIU focuses on individualized attention and superior student relationships, and has earned recognition as the highest-ranking independent public regional university in Illinois and a place among the Midwest's top public regional universities according to *U.S. News and World Report*. EIU hosts more than 175 student organizations on campus, and offers a variety of cultural events, NCAA Division I athletics, and active research opportunities for its students to enjoy and to thrive. EIU has become recognized for providing the resources of a large institution while creating the kinds of individual relationships that support student and alumni success.

Eastern Illinois University is located in Charleston, Illinois – a comfortable and safe east central town within a two-to three-hour drive of three major metropolitan areas -- Chicago, Indianapolis, and St. Louis.

As primarily a teaching institution, EIU is dedicated to quality learning in classroom settings. The EIU School of Technology serves over 900 undergraduate and graduate students. The school offers bachelor's degree programs in Computer and Information Technology, Construction Management, Digital Media Technology, Engineering Technology, and Organizational Development. Graduate Degree programs include the M.S. in Technology, M.S. in Cybersecurity, M.S. in Sustainability, and M.S. in Talent Development. The selected candidate will be appointed as a member of the School of Technology. The candidate must be a highly motivated, team player to assist in the continued growth of these programs.

Closing Date: Review of applications will begin November 22, 2022 and will continue until campus interviews are scheduled.

Applications: Candidates for this position should submit the following: 1) a letter of application indicating how the candidate's background and credentials meet the position's responsibilities and qualifications; 2) a current vita; 3) a list of names, addresses, phone number, and email for three professional references; and 4) a copy of transcripts for **all** undergraduate and graduate coursework completed (may be unofficial for application purposes); official transcripts from doctorate degree granting institution are required for appointment. Applications can be submitted using Interfolio at <http://apply.interfolio.com/115886>.
